Sir:

This is in response to the restriction requirement set forth in the Office Action mailed August 6, 2007 for which a response is due September 6, 2007, in the above-identified United States Patent Application. Accordingly, this response is timely filed.

Claims 1-31 were presented for examination at filing. A Requirement for Restriction was issued, identifying patentably distinct inventions in two groups of claims. In response, please amend the application as follows:

Amendments to the Claims are reflected in the listing of claims which begins on page 2 of this paper.

Remarks begin on page 6 of this paper.
